NOTICE FOR ISSUANCE OF TEMPORARY WAIVER

In the fifth supplemental State of Emergency for the COVID-19 pandemic, Governor Ivey gave the State Health Planning and Development Agency (Agency) the ability to promulgate rules in order to issue temporary waivers to the normal Certificate of Need (CON) process for providers specifically requiring additional capacity or services directly related to the State of Emergency declared for the COVID-19 pandemic.

The Agency has filed two emergency administrative rules: ALA. ADMIN. CODE r. 410-2-5-.09-E COVID-19 State of Emergency, passed by the Statewide Health Coordinating Council, and ALA. ADMIN. CODE r 410-1-10-.05-E Emergency Provisions Related to COVID-19 Emergency, passed by the Certificate of Need Review Board. Both of these emergency rules can be found on the SHPDA website.

By filling out this attached form, the applicant has requested a temporary waiver under these emergency rules and it has been signed and notarized that this request is directly related to the COVID-19 pandemic. The affirmation by the SHPDA Executive Director is related solely to the addition and/or provision of any beds, stations, or services during the State of Emergency and succeeding 60-day period and does not affirm any permanent CON authority for such request. The affirmation shall also not be considered to be a waiver of any requirements related to the Alabama Department of Public Health or any other regulatory agency.

Pursuant to ALA. ADMIN. CODE r. 410-2-5-.09-E (3), the request as affirmed, "shall automatically terminate on the earlier of (i) as applicable, the discontinuation of services or closure of facilities subject to the waiver; or (ii) sixty (60) days following the termination of the State of Emergency as recognized in the Declaration." Furthermore, the rule states, "[a]ny continued operation of institutional health services authorized under a waiver granted pursuant to this section will require a CON, which shall be subject to existing CON criteria and procedures, including compliance with the State Health Plan, without regard to emergency rules adopted by the CON Board or SHCC in response to the Declaration. It is the intent of this subsection that services, facilities or other new institutional health services established as a result a waiver be considered 'new' for purposes of an application for CON authority to extend such new institutional health services beyond the deadlines in this subsection."

In addition, pursuant to ALA. ADMIN. CODE r. 410-2-5-.09-E (4), "new institutional health services authorized on a temporary basis pursuant to a waiver granted under this rule shall not be considered for purposes of the permanent need methodology in the State Health Plan."

For any questions or concerns, please contact the Agency at (334) 242-4103.
