Re: Request for Tuscaloosa County Drop Site Reviewability Determination

Agency Representative Seeking Determination:

Jean Robertson, Managing Member

Techota, LLC d/b/a CV Home Health of Bibb County

155 Birmingham Road

Suite 123

Centreville, Alabama 35042

Drop Site for 007-H7082 – Provider Number 017082

Dear Ms. Marsal:

Our agency has increased our Tuscaloosa County patient census over the last few months. The distances our nurses are being required to travel makes it difficult for them to return to our Bibb County Agency in Centreville (Olan Heights Plaza – 155 Birmingham Road – Suite 123) to pickup supplies. For this reason, we are requesting authorization to operate a drop site in Tuscaloosa County.

This drop site will be located at the address listed below:

The Landing Center
2120 McFarland Blvd.
Suite A
Tuscaloosa, Alabama 35404

This drop sites will be controlled by CV Home Health of Bibb County. There are no other health care facilities or groups associated with this request. This request does not include any new or additional services. There will be no agency staff assigned to the drop site location, referrals will not be accepted at the drop site location, we will not advertise the drop site as part of our operations, and we will not operate the drop site in any way as a home health agency branch location.

The project will be below all monetary expenditure thresholds. The costs that will be incurred for this new drop site location (900 square feet) will be monthly rental fees (\$940 per month) associated with the three year lease of office space and monthly utilities (power and water). There will be no additional equipment costs, no land or building cost, and no construction costs.

Thank you for your assistance in the matter.

Sincerely,

A handwritten signature in cursive script that reads "Jean Robertson".
